

HOOPER PILES UP FOUR TO ONE VICTORY—REPUBLICANS CARRY FOUR-FIFTHS OF STATES: BREAK "SOLID SOUTH"—OVERNIGHT RETURNS SERVE TO SWELL HOOPER MAJORITY—GOVERNOR SMITH'S DEFEAT IN HOME STATE OF NEW YORK SPELLS HIS DOOM—SWEEP FROM COAST TO COAST FOR FORMER U. S. FOOD ADMINISTRATOR

New York, Nov. 7.—(Can. Press).—Republicans have swept the country from coast to coast. They have enveloped the states bordering on the old solid south. They have driven a wedge into the south itself. Overnight returns add to the swelling Republican tide. They served to make the election of Herbert Hoover as president of the United States more complete.

As figures stood at nine o'clock this morning with many votes yet to be counted, about four-fifths of the states, carrying nearly the same proportion of the electoral college votes had either toppled into the Republican column or gave evidence of no doing.

By one of those extraordinary ironies of politics, it was Governor Smith's own state of New York which first wrote his doom. On four occasions New York state had given Smith the highest office in its gift. To capture New York state and its 45 electoral college votes, the Democrats fought bitterly and strenuously. Hoover might have lost New York state and still have won the presidency; Smith had to win New York state if he was to be the next president of the United States. New York was to be the nucleus of a Democratic raid into the states of New England and the Atlantic seaboard.

Smith's failure in New York. New York City gave its plurality to Governor Smith, but the up-state Republican vote rolled over it. With 275 districts missing out of 8,267, Hoover was ninety thousand ahead. Democrats, however, found some bright spots in the New York State returns.

Franklin D. Roosevelt, who nominated Smith at Houston, was elected to the governorship over Albert Ottinger by a margin that showed him running well ahead of the Democratic national ticket.

New York State lost to the Democrats, the Republican victory was only a question of time. Nor was there any evidence in the returns which piled in over night that the Democratic crusade into the farm country would net Smith a single electoral vote.

On the contrary, from the Alleghenies to the Rockies, the farm states were reporting hourly increasing majorities for Hoover and Cato. Even Wisconsin, where much dependence had been placed in a coalition of Democrats and Lafollette Republicans, swung decisively away from the Democratic column.

The big celebration in commemoration of the completion of gravelling the Blue trail highway between the international boundary and Edmonton came off with flying colors at Macleod Wednesday afternoon and evening, Oct. 31st. On account of the bitter cold the school children did not parade to the arch which was erected on the outskirts of the town limits, where the opening ceremony took place. The ceremony was very short consisting of the following program: "God Save the King"; prayer by Rev. J. F. Knight; remarks by Mayor J. W. McDonald; R. C. M. P., Lethbridge; H. V. Clarke, president of Auto Association, Macleod; H. C. Winter, chairman of the invitation committee. On the mayor's left stood Hon. O. L. MacPherson, minister of public works; J. B. Sutherland, president Board of Trade; G. G. Coote, M. P. for Macleod; Dr. Galbraith, president Lethbridge Board of Trade; A. B. MacKay, Calgary, president Automobile Association of Alberta.

In opening the proceedings after the well served and splendidly prepared supper, Mayor McDonald in a few words expressed his pleasure at the large number who had accepted their invitation and gave all the guests and visitors from outside points a very hearty welcome in the name of the town of Macleod.

The mayor then read a number of telegrams and letters from invited guests who all expressed their regrets at not being able to be present. Among them were Premier Brownlee; Governor Erickson, Montana; Mayor Morrison, Coleman; Mayor Scott, Blairmore; the secretary to the Hon. Charles Stewart, minister of the interior, who stated that Mr. Stewart was on his way back to Ottawa; the president of the Chamber of Commerce, Edmonton; Mayor Bury, Edmonton; F. E. O'Brien, mayor of Calgary; J. H. Hanna, secretary Board of Trade, Calgary; Mayor Barrowman, Lethbridge; Mayor Riley and Mr. Marshall, secretary Board of Trade, Nanaimo.

OBITUARY

DEATH OF MRS. T. CLARKE

Word was received in Macleod Thursday afternoon Nov. 1st, of the death of Mrs. Thomas Clarke of Macleod, at the Galt hospital, Lethbridge. Mrs. Clarke underwent a serious operation a few days ago and evidently her strength was not equal to stand the severe strain. Mrs. Clarke is one of Macleod's old timers, having been married in Macleod over 35 years ago to Mr. T. Clarke who, at that time, was a member of the North West Mounted Police.

The funeral Sunday afternoon, Nov. 4th, from the United Church, Macleod, of Mrs. Loretta Jane Clarke, wife of Thomas Clarke was noteworthy by the very large number of friends and neighbors who were present to show their sympathy for the bereaved husband and family and their esteem for the deceased. Forty years residence in the town of Macleod and at the farm three miles from the town, is the record of the late Mrs. Clarke, during these many years she had by her quiet and unassuming life endeavored herself to all who came in contact with her. She was not one who took a very active part in outside affairs, her life was devoted to her husband and large family of boys and girls, now all grown to manhood and womanhood, some of whom are now filling important positions in life, due to a large extent to the home influence of the mother.

Mrs. Clarke was born in England and came to Canada with her parents when she was a very little girl. The family located in Toronto where she grew up, and in the early spring of 1888, she came west to Macleod with the late C. C. McCaul, K. C. and Mrs. McCaul. In the month of June of that same year she was married to Thomas Clarke, known all over Southern Alberta as "Tom".

Mrs. Clarke was a member of the North West Mounted Police and later publisher and editor of the Macleod Advocate, Macleod's second newspaper. Besides the husband there are three sons and four daughters to mourn the departed. Sgt. C. Howard Clarke, R.C.M.P., Camrose; Thomas and Ronald, Edgar in Macleod; Florence, Mrs. H. J. Roberts, Oakland, Kentucky; Laura, Mrs. A. Kennedy, Macleod; Norma, Mrs. J. R. Spencer, Yakima, Washington; and Miss Bertha, nurse at the Galt Hospital, Lethbridge.

Mrs. Clarke spent her last few weeks in the Galt Hospital, where she underwent an operation, and to show her appreciation and sympathy with Nurse Clarke, Dr. Campbell, Matron Mrs. Durling and several of the nurses travelled to Macleod yesterday to be present at the funeral. Other friends from Lethbridge who were present included Mr. and Mrs. Surors, Mrs. Kipp, Doris and Marjorie, Kipp, J. B. and Miss Kerr, Mr. and Mrs. F. Lodge, Miss Levenick, Mr. and Mrs. J. C. Chester, Mr. and Mrs. Frank Thompson, Banff.

The service in the church was conducted by the Rev. J. F. Knight, pastor of the church and he was assisted by the Rev. F. Randall Russell, Christ Church, and Rev. Alex. Ferguson, St. Andrew's Presbyterian Church. The church was crowded and about forty automobiles followed the funeral cortege to the cemetery. The pall bearers were W. H. Shield, M.L.A., Hiram Bates, E. Forster Brown, Geo. R. Leighton, Joseph Horner, W. Whitworth. The floral tributes were many and very beautiful. The donors being: Dad and the children; Howard and Doris; Brother Charlie and wife; Mrs. Campbell, Roy, Bryans and Shillington; Galt Hospital; Mrs. Durling; Nurses Sage, Lavenich, Waugh, Gordon, Fraser, Kerr, McGary and Hunt; Rathwell Ladies' Aid and Society; United Church Ladies' Aid; B.P.O.E. PREMIER NAMES NEW MINISTERS IN NOVA SCOTIA

Halifax, N. S., Nov. 3.—It was announced at the office of Premier E. S. Rhodes this afternoon that John E. Mahoney, who led the polls in Halifax county in the provincial elections October 1st, had been sworn in at 12:30 p. m. as minister of natural resources, succeeding Hon. J. A. Walker, who was defeated in Halifax. P. O. Goucher, Annapolis, and John Doull, Pictou, were sworn in as members without portfolio. Owing to the poor health of Captain J. F. Cahoon, assistant minister of highways who is seriously ill in hospital, no suggestion regarding his resignation has been made. He was defeated in Yarmouth.

The other two members of the government who lost at the polls, both ministers without portfolio, were Dr. W. N. LeRoux, Lunenburg, and Dr. B. A. LeBlanc, Richmond.

The executive council is now as follows: Premier and provincial secretary—Hon. Edgar N. Rhodes. Minister of public works and mines—Col. Gordon S. Harrington. Attorney-General—Hon. W. L. Hall. Minister of natural resources—Hon. J. A. Mahoney. Minister of highways—Hon. Percy G. Black. Ministers without portfolios—Hon. J. Fred Fraser, Hon. P. O. Goucher, Hon. J. Doull and Captain J. F. Cahoon.

BOY OF MISSING TAXI MAN IS FOUND

Calgary, Nov. 3.—The body of Frank Stewart, missing taxi driver, was found seven miles southwest of the city, along the Elbow river, Saturday morning, the discovery verifying the theory held by the police that the man was murdered late Tuesday night or Wednesday morning after he had answered a call to the southwest part of the city.

His blood-stained car was found, abandoned and frozen, in the west-end, many miles from the place where his body was found this morning.

Stewart was shot through the back of the head with a .45 calibre revolver, his overcoat being buttoned and no other signs of mutilation being visible when the body was found by another taxi driver.

Minister Is Pleased

Hon. O. L. MacPherson, minister of public works, had a great many pleasant things were often said about his position, but it was indeed a pleasure for him to hear the appreciation which had been voiced tonight by all the speakers of the work of his department in carrying through this highway to completion. It was very nice to forget the unpleasant things and enjoy the pleasant things for a while. He had certainly enjoyed the bright and witty speeches this evening. He was pleased to listen to the president of the Motor Association and hear his endorsement of the work of the government in road making. He said they were doing their best to fill up the gaps. They were fully alive to the necessity of providing roads in the vast territory of the province. He mentioned the enormous country north of Edmonton, both east and west. He said that the people of the province were displaying considerable patience in the matter of road building. There are vast areas still to be provided for, but the main highways are the backbone of the province the market roads being more local. He said that the government had built 12,000 miles of main and secondary roads during the past few years.

Red Trail to Lethbridge Soon

He could almost confidently state that the class of highway urged by Lethbridge would be completed in the near future. He referred to the story told by the late president of the Southern Alberta Automobile Association, about the southern preacher and his member, which might apply to Lethbridge. "Pray for Lethbridge that it may pass round the collection plate first." He said that one of the greatest things for the province and the Dominion was the development of good roads. Mr. MacPherson naturally did not divulge any of the highway plans that were under consideration by the government, but he did hint that its policy, to be announced at the session of the legislature, if not before, would bring encouragement to some of the projects that were being advocated in Southern Alberta, which was understood to mean, particularly since Ald. Elton of Lethbridge had brought it up, that the Cardston-Lethbridge highway might be given assistance. Before closing he again voiced his pleasure at being present and especially to hear the words of appreciation from the various speakers of the work of his department.

Glenwood News

There was neither Sunday School or afternoon church service at Glenwood Sunday, on account of so many of the people of the district being at Cardston attending the quarterly conference of the Alberta Stake.

The Hallowe'en dance given in the amusement hall on Thursday evening was a decided success. Punch and ice cream were sold by members of the committee in charge.

Hallowe'en pranks were of a rather milder nature here this year than usual. Nothing of a serious nature was reported. Even the windows of the business houses were unmarked.

Mrs. E. A. Law has been confined to her bed for several days but is now improving and is able to be up again.

On Saturday, S. E. Law of Raymond purchased the Ford Sedan belonging to Ivan Nelson of Glenwood. Mrs. Jim Cole of Cardston was a guest of Miss Morilda Archibald on Wednesday and Thursday of this week.

Melvin Anthony, who operates a general store here, has rented the butcher shop and grocery store of Alf Strate. He has already taken possession and expects to do a considerable business in the selling of fresh meats.

A meeting of the officers and directors of the United Irrigation District was held at the office of the secretary-treasurer, Mr. Asplund, on Wednesday evening.

Water has been turned out of all the canals of the U. I. D. system. Horace Burgess repaired the fences around the school grounds this week.

The Boy Scouts and Sea Gull Scouts held a Hallowe'en party at the Scout House Wednesday night, under the direction of their respective instructors, Ted Greene, and Mrs. Nettie Bohne.

DIRIGIBLE CROSSES ATLANTIC ON RETURN TRIP IN 71 HOURS, 12 MIN.

Friedrichshafen, Nov. 1.—The German air liner Graf Zeppelin, after successfully braving winds and storms for a record-breaking dirigible crossing of the Atlantic almost came to grief on landing at her hangar at 7:06 a. m. (1:06 p. m. E. S. T.) today because thousands of enthusiastic Germans threatened to rush the gondolas.

It was only with the greatest difficulty that the huge ship was "walked" into her hangar and the gangplank put up after a flight that had carried her over the North Atlantic in 71 hours and 12 minutes, completing the first round trip trans-Atlantic commercial air voyage in history.

EDMONTON OFFICIAL KILLED AT LACOMBE

Lacombe, Alta., Nov. 1.—A fatal accident occurred on the Edmonton trail about three miles north of Lacombe on Wednesday afternoon when Angus R. Morrison, Edmonton, provincial supervisor of fur farms, was on his way toward Edmonton in an auto.

The car was going at a moderate speed, but a burst of speed was put on at the moment of passing another car.

Investigation showed that his car struck a ditch and swung to the left twice in 600 feet and at last went into the ditch again and turned over several times. Mr. Morrison was found in the wreckage of the car about 5:45 p. m. by Messrs. F. Brown and C. L. Ralph, both of Edmonton. They took him into the Lacombe hospital where he lived an hour and 50 minutes.

COMMANDER BYRD NOW AT WELLINGTON

Wellington, N. Z., Nov. 5.—The first stage of his voyage to the great ice barrier in Ross Sea was completed today by Commander Richard Byrd, who arrived with 14 members of his South Polar expedition. The party came on the whaler Larsen and will await the arrival of the bark City of New York and the steamship Eleanor Bolling, bringing the other members of the expedition.

In responding to a civic welcome Commander Byrd said that in memory of Scott and Shackleton he was going to carry a British flag on his flight to the South Pole.

HOME! SWEET HOME!

"Home! Sweet Home!" I have listened long To the pleasant strains of the maiden's song. Till all my heart was soft as air With a joyous sound, as of gushing rills; Gayly she sings in her father's halls, And I hear her voice as it floats and swirls And mingled with it are tones of mirth From a gathered group by a lighted hearth.

"Home! Sweet Home!" 'Tis a simple song, But it fetters the weak and subdues the strong; And evermore will its flute-notes low With the sweeping sound of the windwhirl flow.

—Belle Bush, in "Voices of the Morning."

ROMANIA MAY HAVE COALITION

Bucharest, Nov. 5.—The political dilemma into which the regency plunged when it forced the resignation of the government headed by Premier Vintila Bratianu, today depended for solution upon the return of Nicholas Titulescu, former foreign minister. Titulescu, who became minister to London on his withdrawal from the Bratianu government, is neutral in politics. He will arrive in Bucharest either tomorrow or Wednesday. No action will be taken until then by the three regents. Prince Nicholas, uncle of the young King Michael; G. Buzdugan, former president of the supreme court, and Miran Cristea, patriarch of Rumania. The belief was expressed in some quarters that the regency might ask Titulescu to form a coalition government.

Developments appeared to favor a peasant government led by Julius Maniu, as the successors to the powerful capitalist Bratianu regime which has held sway for half a century with only brief interruptions.

Maniu's party represents 80 per cent. of the population. If Maniu forms a cabinet, it is expected that he will call for a national election. Maniu made it clear that he had no intention of encouraging the return of former Crown Prince Carol, father of King Michael.

Bratianu Urges Coalition

Bucharest, Nov. 5.—Vintila Bratianu, former premier, today conferred with the council of regents and suggested that a national government be formed and stated that the Liberal party of which he is the head, would participate in such a government.

## MAYOR J. W. McDONALD AND MRS. McDONALD ENTERTAIN VISITORS AT INTERNATIONAL HIGHWAY OPENING

Mayor J. W. McDonald and Mrs. McDonald entertained the officiating principals at the opening of the Blue trail, at a formal luncheon on Wednesday.

At the time of the Macleod jubilee, the town adopted the colors of the

Mounted Police—scarlet and gold—in honor of the force which was originally identified with Macleod.

The luncheon carried out the color scheme of scarlet and gold throughout, the table being centred with a large etched glass epergne in which yellow wheat, fruit, and gold and bronze chrysanthemums blended. Surrounding the epergne, scarlet and gold tulle, intertwined with smilax made a soft setting for the table centre. Tall red candles in silver holders made the corners of the table, and the place cards, painted by a local artist, showed a scarlet motor driven over a yellow trail, and a sign-post announcing the fact "U. S. A. to Edmonton 400 m.", finished the table decorations.

Those invited to the luncheon included His Honor Lieutenant-Governor Egbert and his secretary, Lieutenant-Colonel Gillespie; Premier Brownlee; Hon. O. L. McPherson; Senator Buchanan; Mr. G. G. Coote, M. P.; Mr. W. Shields, M. L. A.; Mr. H. V. Clarke, president Alberta Motor Association (Macleod); Mr. J. B. Sutherland, president Macleod Board of Trade, and Mr. H. C. Winter, secretary of the invitation committee and general supervisor.

After the opening ceremonies of the Blue trail were completed the wives of the officers for the day were invited for afternoon tea at the home of the mayor. Bronze and gold

Chrysanthemums were used to decorate the drawing room, and the cakes and sandwiches were all in the same color scheme of scarlet and gold.

"Our very best wishes will follow you and your family to your new home in the far west."

"Whatever the future may have in store, we want you to think often of the friends in Little Harbor and our prayer is that God's richest blessing may follow you and yours wherever you may be."

"We desire now in a tangible way to express our appreciation of what you have done, and we ask you to accept this gift as representing in some measure the feeling of our hearts."

"Signed on behalf of the Congregation."

On Sunday following very large congregations attended the farewell service in both churches. For five years Mr. Ferguson had ministered in this congregation and very successful work had been accomplished. The relations between pastor and people were most cordial and friendly and their expressions of goodwill and best wishes testified to their love and devotion for the minister and his family.—Eastern Chronicle, date of Oct. 23rd, 1928.

## FAREWELL TO THE REV. A. FERGUSON AND FAMILY ON THEIR DEPARTURE FROM THEIR EASTERN HOME TO COME TO MACLEOD

A large number of the people of Little Harbor and Chance Harbor met at the home of Elder Daniel MacQueen on Friday evening Oct. 12 to bid farewell to the Rev. A. Ferguson and family who are leaving for the West. Every home was represented and a feeling of sadness seemed to pervade them at the thought of parting with the folks of the manse. Mrs. MacMillan of Woodburn, read the following address, and presented Mr. Ferguson with a very substantial sum of money. Though taken by surprise at this kindness on the part of his parishioners, Mr. Ferguson made a suitable reply. The address:

"To Rev. and Mrs. A. Ferguson: "Dear Mr. and Mrs. Ferguson and Family:

"We, the members of your congregation, having learned of your decision to leave Little Harbor, have gathered here tonight to bid you farewell."

"The relations between a Minister of the Christian Church, and his people are necessarily very close, and we have appreciated more perhaps than our Minister realized not only his public services, but his private visitations to our homes in times of sickness and sorrow. We want

From nine o'clock in the morning until nine and ten o'clock at night a show was held in one of Los Angeles' finest theatres without an audience to enjoy it. The performance was given for five days without one coin having been taken in at the box office.

That is by no means the most peculiar thing about the production. Its star was a chorus girl. The theatre that held this unique

offering was the beautiful Grauman Million Dollar Theatre, one of the finest show houses on the Pacific Coast. The play was not a play at all, but a scene for a motion picture which was filmed with Bebe Daniels in the stellar role.

Most of the action of the story "Take Me Home" is laid back-stage in a theatre, where rehearsals are under way for a musical show. It is a picture vastly different from the recent Bebe Daniels films, for, while retaining the swiftness and lightness of tempo that has become identified with her, there is a very strong dramatic and romantic theme.

Neil Hamilton, who played opposite the star in "Hot News," also has the leading man's role in this picture.

"OH, KAY!" IS O.K.! VERDICT ON COLLEEN MOORE'S HILARIOUS NEW COMEDY AT THE EMPRESS ON MONDAY AND TUESDAY

"Oh Kay!" is O. K.! "Oh Kay!" is one of the funniest comedies to reach the screen in months.

"Oh Kay!" is frankly a farce, having been adapted for motion picture purposes from the musical comedy of the same name. It has been made all the more laughable in the transition, and the presence of Colleen's part personality in the stellar role is responsible for the majority of the humor. Although Colleen has probably had more successful comedies than any other feminine star, "Oh Kay!" has topped them all, and takes its place with the best humor the screen has produced.

Theatre announces the coming of Monte Blue in "One Round Hogan," a Warner Bros. production, on next Wednesday and Thursday.

"One Round Hogan" is an up-to-the-minute fight film. The support includes beautiful Leila Hyams (the only woman), James J. Jeffries, former heavyweight champion of the world, Frank Hagney, Texas Kid and Abdul the Turk and others of note in ring-side circles. It is a breath-taking drama of the whirlwind adventures of "One Round Hogan," son of an ex-champion of the ring. Howard Bretherton, who directed, has succeeded in getting the atmosphere and action of the squared circle vividly. Blue was never more in his element than in this role of a fighting Hogan. The public will remember his other pugilistic part in "Hogan's Alley." While that picture won unanimous acclaim all over the world, "One Round Hogan" is winning even more enthusiastic commendation. See it by all means.
